

How do I set up wireless on my iPhone?

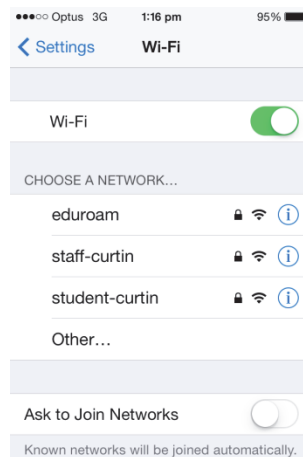

1. Tap on “Settings”

2. Tap on “Wi-Fi”

3. Tap on “eduroam”

4. Enter your details:

Username: **Staff ID***
Password: **Your Staff OASIS Password***

then tap “**Join**”.

[Join](#)

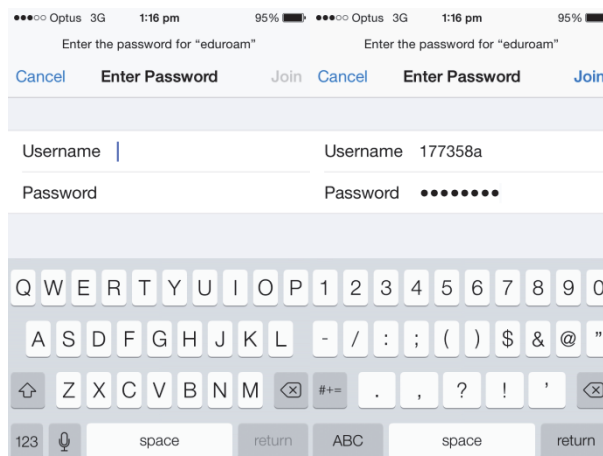

** Notes for students and eduroam visitors:*

*Students: **Student ID**
Your OASIS password*

*eduroam: **Your institution’s username**
Your institution’s password*

5. Tap on “Accept”

[Accept](#)

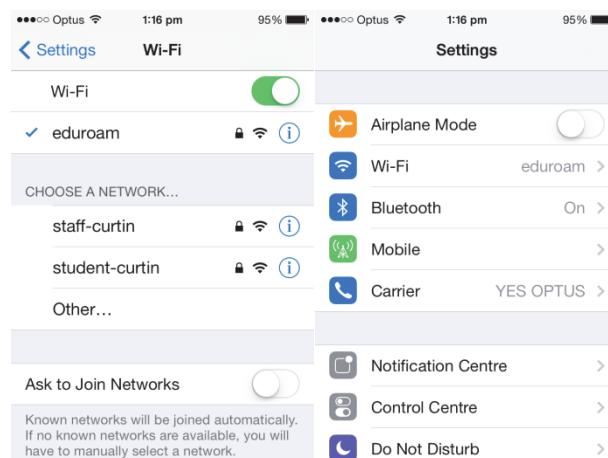

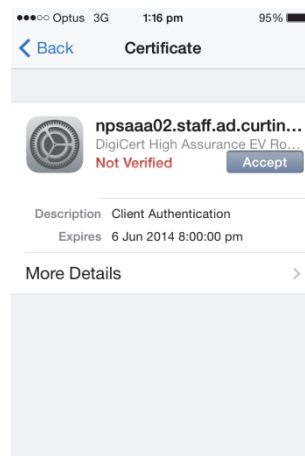

6. You should now see a tick to the left of eduroam

✓ eduroam 🔒 📶 ⓘ

You can tap “**Settings**” or simply press the **Home** button now...

If you can see “**eduroam**” (on the “**Wi-Fi**” screen or the “**Settings**” screen) then you are now connected.
